### **Things to Keep in Mind:**

We cannot guarantee, that every model finds an artist! But we are keen to find somebody for reliable models. Sometimes it takes a while until the first artists contact you.

We are also not able to provide any accommodation during the festival week.

Further many photographers create fantastic photos that they for sure also share with you. **Note:** For the registered photographers it is prohibited to publish the pictures in magazines or websites with erotic or pornographic content, further a commercial use not connected to the WBA & WBF events is only possible with a written approval from the artist and the model.
