## Ukrainian Bodypainting Award

The **Ukrainian Bodypainting Award** is a sanctioned event by the **World Bodypainting Association (WBA)** and organized by **WB Production**. The competition is held at the open air space in the city center of Kyiv within the beauty art festival ViridiLand.

The guidelines of the competition are based on the many years of experience of the organizers, and the feedback of the participants collected over the past 20 years. The competition is an Open Category and the **theme is "Artificial Intelligence - Fears vs. Opportunities"**. In this category artists can combine classic techniques together with airbrush, special effects, décor and costumes.

## ViridiLand Beauty Art Festival

The **ViridiLand** festival is a cross-cultural event with a huge number of zones for any type of audience, the goal of the event is a creation of a single beauty-art space.

In 2019, thousands of leading masters, speakers and judges from all over the world are ready to host the independent platform of ViridiLand. Become part of one of the most important professional events that change the universe of beauty for the better! ViridiLand has already formed the program and invited the best experts of the world. ## World Bodypainting Association

World Bodypainting Association was founded in 2001. The Association has emerged as a result of the annual World Bodypainting Festival, which since 1998 has been held in Austria. The work of the WBA is aimed at bringing together artists, models, photographers and people interested in bodypainting around the world. The WBA conducts many different events, competitions and training programs. We unite creative minds and continue to expand the boundaries. [www.wb-association.org](http://www.wb-association.org)
